

A faint, semi-transparent background image showing an aerial view of a modern industrial or research complex. The complex consists of several interconnected buildings with grey roofs and light-colored walls. One building has a red sign that reads "HZDR INNOVATION". The complex is surrounded by green trees and is located near a road with some traffic.

Your Space for Future Technologies

powered by

Space for Innovation and Technology Projects

Wilhelm-Rönsch-Straße 4 | 01454 Radeberg | Germany
